Somerville Bank enjoyed a well attended Grand Opening on February 20th and is ready to meet your banking needs. Twin Valley Bank opened at end of February, and is ready for your banking business. New Lebanon School of Dance looks like a hopping place in their new location. The old IGA building seems to be progressing as Curtis Tactical Suppressors and Rifles LLC, a manufacturing facility. Kari Nicole presents Kari's Kloset, although the space is in the back of the store the idea is front and center. You can donate gently used homecoming and prom dresses (5 years or newer) to the boutique, then any girl in need of a dress can come in and shop for her dress for free! Shoes, purses, and jewelry that may have been used with the dress can also be donated. So, clean out those closets and give back to the community.

Properties are to be maintained up to codes and standards. It is the property owners responsibility to maintain their property, but for those who fail to upkeep their property, properly return their trash cans after pick up, park vehicles/RVs/trailers in places not intended for vehicles, and other non-compliance issues. The Village Zoning and Compliance Administrator, will be enforcing these codes. Overall, properties need to be maintained and kept in a condition as to not affect the value of any neighboring properties. Currently, letters are being sent to property owners warning them of violations but providing time for the owner to complete the needed maintenance before a citation is sent. If you are notified of a violation of zoning or compliance, do not ignore it. Reach out to Melody if you have any questions at 937-687-1341 ext 106 . She is here to enforce the codes while working with the people of this Village.

Resident Spotlight: Geraldine Louise (Creech) Caplinger

Gerry, has been a resident of New Lebanon since the seventh grade. She is currently 91 years young, so seventh grade wasn't really that long ago. She has been a member there since 1950 and is devoted to her faith and her family. Her family began in February 1951, when she married lifelong New Lebanon resident and 1941 Dixie graduate, and love of her life, John Caplinger. Together, they raised a son, J. Rodger

Caplinger, who graduated from Dixie in 1963. Over the years, Gerry has helped raise her grandchildren and great grandchildren with love.

In the late 70's, Gerry became a member of The Preble County Historical Society staying an active member ever since. She received the Volunteer of the Year Award in 2003 in recognition of her outstanding service. Gerry was installed into The Farmersville Order of the Eastern Star in July of 1980. Gerry has held multiple offices there, including Worthy Matron 2004-2005. Even today, she continues to be one of the most active Eastern Star members. Over the past 30 years, Gerry has been an active member of The New Lebanon American Legion Post #762 Auxiliary, holding many Auxiliary offices including President 1987-1989 and Auxiliary Treasurer, for the past 15 years.

If you can't find Gerry at the Legion, she can be found volunteering at The House of Bread in Dayton, providing to her neighbors in need with a ride, a meal, Bingo at the nursing home, a conversation to the lonely, or serving veterans with her time volunteering at the Dayton VA.

Geraldine, (Gerry), Caplinger is an amazing resident of New Lebanon, and representative of this Village, so the next time you see her take a second to say hello.
